COMMANDER'S MESSAGE

Although this message is in the April Newsletter, it's being written at a time in March just prior to our regular membership meeting. By the time you read this message, we should know who is running for some of the positions (maybe even Commander) for the upcoming Legion year. Regardless, I'm still hoping to encourage additional candidates for any of the Post Executive Committee positions at the April regular membership meeting. Quite frankly, many of us on the Executive Committee have been on it for many years. I myself have been there for at least 8. While not discounting the experience of those who have been on the Committee for many years, if the Post is to move forward we need some new faces with new ideas to "blend" in with the already existing experience...and those with already existing experience need to be willing to consider new ideas. I am concerned that at some point in the not too distant future, we will begin to lose those with experience and if we have no one in the "pipeline" to replace them, it could be a difficult time for the Post. Please if you have an interest in running for a position, step forward and be nominated. If you need more information on what the duties of a position see me. Additionally, the Post Bylaws set forth the duties and they are available on the website (www.post259.org). With great respect to our Auxiliary and SAL units, perhaps they share some of the concerns expressed above for their own organizations and leadership. Seems like for all of us more and more is being done by fewer and fewer until even those few become overwhelmed.

I was graciously invited by S.A.L. Commander, Dave Hutchinson, to attend their March meeting and impressed not only by the job he is doing, but the spirit of the S.A.L. members present. Even though small in number, there is a sense of energy in the SAL and I congratulate Commander Hutchinson on his efforts. I believe it is incumbent on the Post to offer the S.A.L. all the support it can in its endeavors. In many instances this may include redefining the relationship between the Post and the S.A.L. From the Post level, I'd offer this should include being more open to new ideas proposed by the SAL and not being mired in old mindsets.

Unfortunately, due to a Prince Georges County Council Meeting the same evening, I was not able to attend the March Auxiliary meeting; however, I was able to speak with several Auxiliary members prior to the meeting. They also had a sense of enthusiasm, but I did sense a hope that some newer members might step up and run for officer positions or simply become more actively involved.

My appreciation to those who attended the St. Patrick's Day event held on March 17th and the S.A.L. Dance held on March 20th. Both events are (continued on next page)

(Commander's Message) attended and a lot of effort goes into putting them on. Special thanks to all who volunteered to help out as the success of these events is largely dependent on you.

As always, thank for your continuing support, thoughts, and ideas.

To all members, if you think your volunteering hours in the community, in the schools or helping a

veteran, other than a relative, can be used in our yearly reports, please let me know so I can include them in the reports. Reporting period runs from May 1, 2009 through April 30, 2010.

At the last meeting five High School Juniors were approved to attend Maryland Girls State this June 20-25, 2010, at Salisbury University. Girls State program is "hands on" training in the management of a democratic government at city, county and state levels. This year mock trials will be held during judicial instruction, girls will vote on a bill and the program teaches them first hand the role lobbyists play in state lawmaking. Congratulations to the girls selected to attend this outstanding program.

Our next meeting will be April 12, 2010, hope you will be with us.

SONS OF THE AMERICAN LEGION

Hello All,

I hope everyone enjoyed the record snows that we were slammed with this year. I must say that I'm glad that is behind us! Unfortunately, bad weather for me means VERY busy at work. That in turn has reduced my visits to the post and therefore I haven't been as effective as I would like to be. With that being said, the weather has improved and the 3 major snowstorms are now a distant memory. Hopefully that means I can become more involved again and keep us striving in the right direction.

I would like to take this time to "Sincerely Thank" Gary Castleman for his continued support and dedication to our squadron. He does a lot of the "Thankless" things behind the scenes and deserves a TREMENDOUS amount of credit for our success. He is one of the biggest supporters that the post has, Bar None! Gary is a Life Member of our squadron and deservedly so. Without him we would not be the program that we are today. From All of Us in S.A.L.....THANK YOU SLIMMY!!!

Our meeting in April will be the opening of nominations for next year's officers. We would Love to see some of our members become more active. Participation is vital to our existence.

The S.A.L hosted a St. Patrick's Day Dance on March 20, 2010. It was a make-up for The Super Bowl Rally Dance that was snowed out on February 6, 2010. Unfortunately we weren't battling with snow this time; we were battling beautiful spring weather. Many people that had committed to coming to the dance, changed their plans. With that being said, it still was a fairly successful event. Hopefully Next Year's Dance will take place the night before the Super Bowl without any issues. We also have our annual Mother's Day brunch rapidly approaching. This has always been a very successful family event. Details will be made available after our April Meeting so be on the lookout. Hope to see everyone there on this very special day.

Last but not least, I would like to send out a Big Thank You to all of the people that support The Post and The S.A.L. As far as I am concerned, we all have an obligation to do what is necessary to make this post a fun place to come in to. Hopefully we can have some creative thinking amongst all of our members and guests, so that we can be more successful in the future. I know that some of the members are really beginning to take a good look at some of the things that simply aren't working. Obviously, this is a process and will take some time. But a proactive stance on the issues at hand will only help our chances of being a very successful organization. Thank you,

S.A.L Commander
Dave Hutchinson

Ninth U.S. Circuit of Appeals affirms "Under God" in Pledge of Allegiance

Although subject to appeal, the Court recently held that the phrase "under God" in the Pledge of Allegiance is constitutional. In a separate decision, the Court also upheld the use of "In God We Trust" on coins and currency. American Legion National Commander, Clarence Hill had this to say, "The American Legion was very critical, in fact outraged, when the same Court ruled in 2002 that the pledge was unconstitutional because of a phrase that has existed in the pledge since 1954. But it is time to give credit where it is due. The Ninth Circuit corrected its earlier mistake and now there is absolutely no reason why schools across the nation should not lead their students in reciting the Pledge of Allegiance every day."

American Legion National Commander Visits Post 259

American Legion National Commander, Clarence Hill, along with several other National, Department of Maryland, and local American Legion officers visited Post 259 on Saturday, March 13th. While there Commander Hill toured the Post facilities and spoke with some of the members present. After a delicious crabcake sandwich, french fries, and salad dinner prepared by Mike Hunnicut, Commander Hill addressed those present and answered numerous questions from the audience.

Post Rallies Behind Children's Miracle Network

Previously, many of you rallied behind our request for donations to The American Legion National Emergency Fund and we thank you. Now, we'd like to rekindle that spirit of sharing again and ask you to support the Children's Miracle Network. The Children's Miracle Network is a non-profit organization that raises funds for more than 170 children's hospitals. Countless individuals, organizations and media partners unite with Children's Miracle Network hospitals to help sick and injured kids in local communities. Donations to Children's Miracle Network create miracles by funding medical care, research and education that saves and improves the lives of 17 million children each year.

If you would like to contribute, please send a check made payable to American Legion Post 259 and indicate in the check's memo section that the check is to support the Children's Miracle Network. Checks may be dropped off in the canteen or mailed to: Post 259, Attn: Finance Officer, 9122 Piscataway Road, Clinton, MD, 20735. All contributions are tax deductible.
